Stressed Out?

Are you feeling stress from your administrator?

Are you feeling pressured by assessments?

Are you confused by your curriculum?

Are you bummed because you are out of new and exciting ideas to promote learning?

I have good news for you!

If you answered yes to any of these questions, I can help be your solution! As an instructional coach, I can help relieve some of your stress—for free!

How Will I Do This?

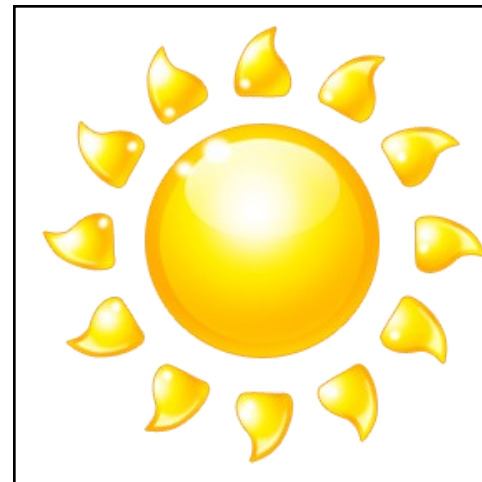

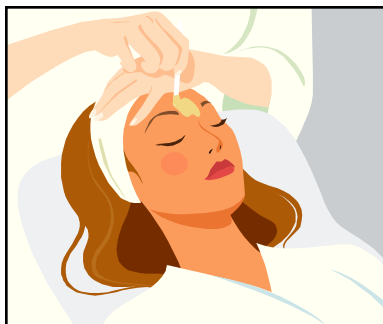

Resource Provider: I will help you find and expand your use of a variety of resources.

Classroom Supporter: I will help you increase quality and effectiveness of classroom instruction.

Instructional Specialist: I will help align instruction with curriculum to meet the needs of your students.

Learning Facilitator: I will help design collaborative, job embedded, standard-based professional learning .

Mentor: I will help you to increase instructional skills and support school wide activities.

What are the Benefits?

- ♦ relaxation
- ♦ more 'me' time
- ♦ improved student achievement
- ♦ new resources
- ♦ new instructional strategies
- ♦ non-threatening curriculum
- ♦ standard-based learning
- ♦ excited students
- ♦ excited teachers and co-workers
- ♦ satisfied administrators
- ♦ happy parents
